Praying for Making Disciples in CCCC

For any questions or comments, please talk to Discipleship Ministry Committee Members (Pastor Francis Wong, John Chan, Wilson Hui or Lapkin Ip)

The last command of Lord Jesus for us before he returned to heaven is to make disciples of all nations. We must ask ourselves this question: How has CCCO been doing in making disciples? While different ministries have attempted to help believers to grow in different areas, we have to admit that we, as a church, have not made disciples intentionally, consistently, or holistically.

After the leadership retreats in Fall 2016, the Elders Board has resolved that disciple-making is the highest priority of our church ministry. The Elders Board formed a Discipleship Ministry Committee, who's mandate is to develop an overall strategy to make disciple-making the culture of CCCO and to work with different core groups (ministry teams) to develop a disciple-making plan applicable to their congregations.

The Elders board have adopted the following definition and stages of a disciple as the Disciples Making objectives for our church and to work with individual pastors and their core groups to establish individual ministry plan to move people from pre-stage 1, to stages 1, 2, and 3 (i.e., to bring people to know Christ, to equip Christians to follow Christ and to lead others to Christ).

Definition of a disciple: A disciple is one who learns to be more like Christ, lives under His lordship, and leads others to become His disciples.

Prayer Items:

- Pray that the Discipleship Ministry Committee will have wisdom, be focus and persistence to work with each congregation core group to carry out their disciples making plan.
- Pray that God will use teachings from the pulpit, small groups, Sunday school, etc. to move and transform the hearts and minds of our people so that they may devote themselves to a life of discipleship and disciple-making.

- Pray for wisdom, discernment, and faith for the church leadership as we try to consistently channel church resources to making disciples.
- For Cantonese Congregation: pray that God will raise up a sister to lead a ladies-discipleship group, and pray for the discipleship of the newer believers in the Wednesday night evening service.
- Pray that Mandarin Core Group will cultivate a spirit of discipleship as how does it play out in Mandarin Ministry and pray that God will raise up at least two brothers and sisters to commit to discipleship for each three stages of discipleship.
- Pray for the English Congregation praise team training that is taking place every month as well as for the development of our small groups and future small group leaders.
- Pray that God would open the hearts of the youth to know the person and work of Jesus through faith and repentance, and that God would challenge the youth to boldly live out their faith at church, at home, and at school.
- Pray for Children's Ministry leaders (AWANA) and teachers (Sunday TOGETHER) together with parents to participate in an earnest effort to teach the Word of God to children of all ages.
